

**R E M A R K S**

Reconsideration of this application, as amended, is respectfully requested.

**ALLOWABLE SUBJECT MATTER**

The Examiner's allowance of claims 1-15 is respectfully acknowledged.

The specification has been amended as requested by the Examiner to amend the title along the lines suggested by the Examiner, as well as to update the reference to the parent application at page 1 to indicate that the parent application has issued as USP 6,961,540.

In addition, claims 2 and 12-15 have been amended only to avoid the awkward use of the terms "side" and "in the side of" so as to put these claims in better form for issuance in a U.S. patent.

No new matter has been added, and no new issues with respect to patentability have been raised.

Accordingly, it is respectfully requested that the amendments be approved and entered, and it is respectfully submitted that this application is now in condition for immediate allowance.

Entry of this Amendment, allowance of the claims and the passing of this application to issue are respectfully solicited.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned at the telephone number given below for prompt action.

Respectfully submitted,

/Douglas Holtz/
